## Excitement! Thrills! Chills!

Nothing gets the heart pumping like pushing the limits of your own car on a world class race track. As we all know, it can be a challenge finding a place to safely push our vehicles to their limits (without breaking any laws). Local track days can be great, but for those amateur drivers who would like to take things to the next level, this is the time to step up to a competition like the “OPTIMA Batteries Ultimate Street Car Qualifying Series”.

“Sanctioned by the USCA (Ultimate Street Car Association), this 10 event series gives weekend warriors the opportunity to hit professional tracks all over the country from March through November, with the chance to go on to compete in the “OPTIMA Ultimate Street Car Invitational” at the end of the year.” says Brandyn Lynch of Kahn Media. “These three day events consist of road rally, speed stop, and autocross segments along with a full day on the road course.”

This is a fantastic opportunity to put your car through its paces and find your own limits, while enjoying the comraderie of your fellow competitors.

The full list of Qualifying Events is shown below. If you’re interested, register as promptly as possible.

### QUALIFYING EVENTS FOR 2014

(ALL EVENTS WILL BE TELEVISED ON MAV-TV)

March 7-9	Mazda Raceway Laguna Seca	CA
March 21-23	Texas Motor Speedway	TX
May 23-25	Daytona International Speedway	FL

About TMPCC Media. The Television Motion Picture Car Club was founded in 2009 as the world’s only entertainment industry car club. The club started with members from the television and motion picture industry, but now include those from music, radio, sports, motorsports and the automotive media. TMPCC has attracted some of the best automotive writers, reporters and photographers from print, radio and television not only here in the United States, but from around the world. With all that talent on board, in late 2013 TMPCC Media was founded to produce electronic print media, radio and television programming promoting the automotive lifestyle.
